NEW PRODUCT !
BNSD TYPE 3.0

Keeping you safe... saving your home and your appliances !

Our **BROKEN NEUTRAL SAFETY DEVICE (BNSD)**, is designed to trip the earth leakage, in the absence of the neutral...

Neutral cables are often strays, or incorrectly connected, or come loose over time...

This may result in shock, electrocution, fire or damage to your appliances and equipment.

Our **BNSD - easy to install, affordable solution !**

Faculty installs in any single or three phase DB board !

Every home or installation should have one !

Get yours today and save lives and assets !
