Technical Data

Item Description	Motor Siren MS-290
Voltage	DC12 V, DC 24V, AC 110V, AC 220V
Sound Pressure	95-105dB radius1 meter
Material	Steel Shell and ABS resin
Sound Type	Continuous Tone
Size (mm)	103(W)*160(L)*135(H)
Protection Class	IP44
Conventional Colors	Red, Grey
Insulation Resistance	100MΩ (at 500 VDC)

Dimension(mm)
