

**Labels are a very important part  
of our corporate identity,  
on our products and other placements.**

**Labels must always comply  
with our corporate colours, fonts, layouts, etc.**

**When ordering labels, always follow this process :**

- 1.** Profile with image and data on the ERP.
- 2.** Have a datasheet / drawing and image made and attached to product in ERP.
- 3.** Have the drawing checked and approved by two different qualified people
- 4.** Obtain a quote, using the datasheet and observe the specifications details.
- 5.** Have quote approved by buying manager and order accordingly
- 6.** On receipt, have labels check and approved, prior to receiving
